

# FITCH MOUNTAIN

## 2019 SONOMA COUNTY CABERNET SAUVIGNON

Discover Our 2019 Cabernet Sauvignon – A Rich and Graceful Blend. Our 2019 Cabernet Sauvignon is crafted from the finest fruits in Alexander Valley and Dry Creek Valley, the most sought-after appellations for this variety in Sonoma County. This wine boasts a full-bodied, elegant flavor with layered, ripe fruit impressions of blackberries and blueberries. Its mouthfeel is full and round, with expertly structured tannins that create a smooth texture. Subtle notes of dark chocolate, vanilla bean, and light spices add depth to the wine, finishing with an extended and lasting aftertaste.

### *Winemaking*

Harvested on September 6, 2019 at 25.0. degrees brix, our Cabernet fermented ten days at 72F to dryness. We then macerated an additional 20 days to soften and develop the tannins, and to extract additional color. Following pressing, the wine was moved to 60/gl French Oak barrels and aged for sixteen months. We hope that you enjoy our wines just as we do at the winery.

### *Tasting Notes*

Experience the Rich Flavors of a Perfectly Balanced Red Wine. Take a sip and savor the delightful aroma of red cherries and raspberries. Immerse yourself in the delicious blend of red berries and black cherries, heightened with a touch of caramel, dark chocolate, coffee, and toasty oak. The 2019 vintage is medium-bodied, well-structured, and silky smooth in texture. With each sip, discover new layers of flavor and complexity. This graceful wine achieves a perfect balance that lingers long after the last sip.

**Appellation:** Sonoma County

**Vineyards** – Alexander Valley & Dry Creek

**Blend:** 100% Cabernet Sauvignon
